

MAY 2008 NEWSLETTER

Give your child a brighter future

Welcome. The fourth question on our website, which students ask most about Kip McGrath, is: "What will I be doing?" A session for English or maths lasts 80 minutes and involves 5 - 6 activities; alternating between computer, workbook and teacher. This poster is in the main room. We emphasise the positive aspects of every child, to eliminate failure. A student's **confidence** and **self-belief** increases dramatically when concepts struggled with at school, click suddenly; overcoming limiting beliefs, such as 'I can't spell' or 'I can't do maths'.

April's Merit Awards; judged on good attendance, a positive attitude and progress made in study.

Junior **Star Emma**

Junior **Star Georgina**

Success breeds success. Well done the following students who have made good progress at school. **Alex** - moved to the top table in numeracy, **Ben** - a Merit Certificate for being excellent at the memory game, **Georgina** - moved up a group in maths, **Hannah** - top of the class in mental maths, **James** - moved up to set 1 in three subjects, **Toby** - star of the week. Congratulations **Soham** on winning a place at **Bolton School**.

Times Tables challenge. All quiet this month in the 70-60-50 category. Congratulations **Hannah** on winning a £5 cinema token for 50-40-30 and well done **Bethany - 50** on level 1. Well done **Lucy - 30** on 1x tables in Under 8's category.

Remember the centre will **remain open** for half-term, week beginning **26th May**. Please advise us in good time of any student who will be away on holiday, so that we may offer his/her time to someone wanting a make-up session. We will close for summer **one week** before the schools holidays, after lessons on **Saturday 12th July**. As many children find the summer break too long, there is a danger that valuable learning can be lost. So, as in 2007, we will re-open **three weeks before** the start of the new term on **Tuesday 12th August**.

Finally, good luck wishes and positive thoughts for those students doing SATs this month.
